

RECYCLING AT: Fairlington Mews Condominium Association

The Arlington County Code requires all apartments and condominiums to provide an on-site opportunity for their residents to recycle. The following materials are accepted at each court in the Mews:

Metal Food and Beverage Cans

Glass Bottles and Jars

Newspaper, Cardboard,

Plastic Containers,

Mixed Paper

Recyclable materials are collected in the designated containers located in each court. Please rinse all food/beverage containers and separate the recyclables properly (see labels on bins or totes). Please do not place any garbage or contaminants in the bins as they are for recyclables only!

If you have any questions about the recycling program, please contact the Management Office at 703-631-7200. For more recycling tips, please visit www.fairlington.org/mewsrecycling.htm.

Thank you for making recycling work in Arlington County!
