Fairlington Arbor Swim Test

Requirements

The 50 meters (two pool laps/one round trip) must be swum continuously without holding on to the walls or touching the pool floor.

1. Jump feet first into water over the head in depth, swim 50 meters (two laps) in a strong manner using one or more of the following strokes and include at least one sharp turn:
 - sidestroke
 - breaststroke
 - trudgen, or crawl
2. After completing the swim, rest by floating or treading water for one minute.

+++++

Certification

Let it be known that _____ has successfully passed the Fairlington Arbor swimmer’s test and has been granted all rights, privileges and responsibilities of using the Fairlington Arbor’s community pool and facilities.

Use of the Fairlington Arbor’s pool and facilities is a privilege and can be revoked for misbehavior and for failure to obey posted pool rules and/or lifeguard and pool management instructions.

Congratulations on passing your swimmer’s test and enjoy the pool!

Sincerely,
Fairlington Arbor Board
