

**FARLINGTON GLEN
REQUEST FOR LANDSCAPING WAIVER**

Requests should be received by March 7

The mulched beds surrounding our homes are common property, and are maintained by the landscaping contractor. However, some residents prefer to maintain their common front or side beds themselves. In that case the resident should submit this form and place a red reflector in the common area bed.

This form must be completed each year – it does not carry over from year to year!

The responsible party:

- Will install a red reflector in the bed.
- Will weed, feed, water, prune, and deadhead the flower bed regularly.
- Will not install any invasive plants including but not limited to English Ivy.
- Will comply with Glen policies in using any pesticides.
- Will mulch with materials similar to those used by the Glen contractor.
- Understands that the Glen Board of Directors reserves the right to assume responsibility for improperly maintained beds.
