

# Fairlington Green Recycle Information

---

- At the parking lot curb between buildings 3201 and 3193 S. Stafford
- S. Stafford Circle by the unit at 3277 S. Stafford
- 3224/3246 S. Stafford Street at the parking lot curb
- End of the parking lot at 4207 S. 32nd Road
- 4313 S. 32nd Road/3233 S. Utah Street at the rear of the units on the parking lot sidewalk

See the complete “**What to Recycle**” list below.

Capitol and Arlington County have greatly increased the list of items accepted for recycling. It now includes almost all paper products and almost all plastics such as toys and outdoor plastic chairs, but not Styrofoam.

They do not want plastic food trays and cups, clamshell containers, light bulbs, mirrors, Styrofoam, window glass, ceramics, batteries, pottery, cookware (pots and pans), broken glass, or anything else made of glass.

The Arlington County Code ***requires*** all apartments and condominiums to provide an on-site opportunity for their residents to recycle.

The following recycle information is provided by Capital Services as of November 2010.

  - Place Mixed Paper (see above) in **paper bags** or tie them with twine.
  - Place mixed paper adjacent to recycling bins.
  - Do not place *loose* newspapers near the curb or in the recycling bins. Loose newspapers may blow away and litter the community. **The recycling bins are not intended for newspapers.**

  - Remove liners from cereal and food boxes.

4. **RECYCLING BINS**
  - Food contamination can cause an ENTIRE batch of commingled recyclables to be rejected
5. **COLLECTION:** Recycling service will be provided on Wednesday for separated newspapers in paper bags or tied in bundles, cardboard and for commingles (see acceptable and non-acceptable materials above). The Contractor will take all suitable materials placed in proper recycling bins to a recycling recovery center (currently Capitol Fiber, Inc).
