Home Owners Link

Emergency Notification Program

Home Owners Link (HOL) is a communication service for Emergency Notification to all unit Owners. This service is designed to give immediate notification to unit Owners by phone only.

The Board of Directors for Fairlington Meadows has decided to try this program for one year.

The HOL service is coordinated by either the Portfolio Manager from Community Management Corporation or the Board President for Fairlington Meadows. Either of the parties noted will initiate a call to any Owner signed up for HOL service in the event of an Emergency.

This call will only be used for situations that present a hazard to the community such as, but not limited to Fire, Blizzard, Natural Disaster, and Civil Disturbance.

**The service to the Home Owner is FREE! All you need to do is complete the bottom of this letter and return it to your court chairperson. The Association would prefer the best number to reach you in an emergency. This can be a home, cell, or office number (preferably a cell phone) so you may be reached at any time of the day or night. Of course your home or office number is acceptable.**

Name

---

Address

---

Phone Number

---

**When you have completed the information part of the notice, please return it to the Court Chairperson and they will forward the information to Community Management Corporation.**

**Please note that all information is confidential.**

Respectfully,

Jason J. Eglin, CMCA, AMS
